Sublimme

by Riscal

Sublimme is a fresh, young sparkling wine made from Sauvignon Blanc grapes grown in Marqués de Riscal's old vines in Rueda. With fine, persistent bubbles, this wine displays great elegance, perfectly highlighting the grape's vibrant, aromatic character.

Crafted through natural double fermentation and aged over lees, Sublimme originates from vineyards farmed by the winery using regenerative agriculture.

From oysters and sushi to tapas and light desserts, this wine elevates any menu. Enjoy it paired with fresh seafood, or simply savor it on its own, well-chilled, as a celebratory toast or as the perfect pair of any *aperitivo*.
